22 Speaker Models™

Understanding the Business Models Supporting Who You Are

22 Business Models™ Brings These Results:

- Clarity in understanding where you are and where you need to be as a speaker.
- Understanding the economic engine that drives the bottom-line of your speaker business.
- Career acceleration when you choose speaker business models that support your core values, natural talents and passions.
- Removes the mystery from selecting the right building blocks for your speaker business.
- Knowing the difference between the building block foundation and the accessories.
- Become grounded and intentional with an unstoppable focus.

What is 22 Speaker Models?™

A conglomerate of business models being used by professional speakers.

What problem does 22 Speaker Models™ solve?

Using business models that do not support your core values, natural talents and passions.

How does 22 Speaker Models™ solve this problem?

Understanding how your core values, natural talent and passions support a foundation built from the models that will fuel energy, focus and a successful career.

What You Will Discover:

Your Core Values

- Identify business models that support who you are.
- How to identify and harness your economic engine that drives your business.

Your Focus

- Intentional clarity of overlapping solutions for a parallel balance of your life and business.
- A science of how to organize your business models to flow in harmony.

Your Market

- How to focus to gain more long-term ROI results from your message.
- A seamless core message strategically intertwined with your business models.

Juanell Teague provides accelerated career transformation to speaker industry professionals and to those in transition.

“Juanell helped me understand, clarify and align who I am with my business models. This redefined my focus, which increased my bottom line.”
