## Speaker Assessment

Create an X-Ray of Who You Are and Where You Want to Go

### **Speaker Assessment™ Brings These Results:**

- Identifies your strengths and weaknesses.
- Helps you establish goals for income and time frames.
- Provides clarity and focus about your objectives as a speaker.
- Removes the mysteries of building a speaking career.
- Identifies the momentum you already have to move forward.
- Builds a solid foundation of trust and self-assurance.

#### **What is *Speaker Assessment*?**

*A series of revealing questions to purge you deep into your past.*

#### **What problem does *Speaker Assessment* solve?**

*Most do not know where they should begin to build a successful speaking career.*

#### **How does *Speaker Assessment* solve this problem?**

*Exposure questions stimulate the brain dump to find the starting point and bring clarity to the next steps.*

### **What You Will Discover:**

#### **Mind Purging**

- A clearly defined beginning point for your speaking
- An x-ray snapshot of where you've been and where you want to go

#### **Self-Discovery**

- A series of *paint-by-numbers* steps to achieve clarity and focus
- Self-discovery methods to see and feel where you are and where you need help

#### **Career Mapping**

- The steps necessary to build a firm foundation for your speaking business
- Goals and timeframes for moving forward

**Juanell Teague** provides accelerated career transformation to speaker industry professionals and to those in transition.

---

*“The value of purging deeply finds who you are and uncovers your true starting point. The mysteries unfold into a clear picture of what is needed to make a business out of speaking.”*
