Building on Speaker's DNA™

A Manual to Guide You to Reveal Your Speaker Brilliance

Concrete Results You Can Expect:

- Have the energy of your Core Values working for your speaking career.
- Tap the energy of your life's Turning Points to fuel your message.
- Set yourself apart from everybody else so no one can take your place.
- Develop your own market to create your own market share.
- Always work smart in the natural influence of your own passions and talents.
- Be in demand with your natural genius and unique message.

What is *Speaker's DNA*™?

The unique combination of and interactions of your insights on truth, from your life experiences, are a daily influence that is uniquely yours, set you apart from others, and are what audiences will pay you for.

What problem does *Speaker's DNA*™ solve?

Inability of looking at yourself objectively results in a lack of self-confidence in who you are and how to package your message to stand out from the competition.

How does *Speaker's DNA*™ solve this problem?

*By identifying your *Speaker's DNA* you learn to work with, and not against it's energy, you move to a level of natural brilliance that leads you into your genius; positions you as a speaker in demand.*

What You Will Discover:

Influencing Core Values & Turning Points

- Your Core Values are a major part of your message and energy base..
- Your life's Turning Points have revealed insights and truths that comprise the beginning of your message..

Influencing Knowledge, Wisdom & Innate Talents

- Insights and truths from the journey of Knowledge into Wisdom have developed new Critical Beliefs.
- The clear self-understanding of what you do successfully, and its influence and value to others, creates your Working Theory.

Influencing Natural Brilliance & Genius

- Your Working Theory keeps you in Natural Brilliance and grows you into genius.
- When You work from your Natural Brilliance, and do the work that nobody else is willing to do, the miracle happens and you become an expert who speaks.
